Product information

Article group	PU50 Sealant
Item number	CRA23000
EAN / GTIN	4260182344644
Designation	PU50 Sealant Black, 290ml

Product description

High-quality, permanently elastic and adhesive PU sealant, also suitable for use on damp substrates, available in black, cartridge 290 ml. Crassus PU 50 provides secure adhesion and enables structural connections through its balanced formula. Specifically developed for bonding and sealing various materials. For indoor and outdoor applications in all weather conditions, isocyanate-, silicone- and solvent-free.
