Product information

Product group	Wall Seal
Item number	CRA18206
EAN / GTIN	4260182344057
Product name	Wall Seal CSK 110 (for Pipes DN110)

Product description

Seal for connecting sewer pipes to main pipes or manholes made of different materials or surface structures; from a wall thickness of 40 mm; Flush-mounted and suitable for the ground; UV-resistant material

Technical drawing

Dimensioning

A Outside-diameter	138 mm
B Connection pipe ø	110 mm
L Länge	50 mm

Specification

Pressure tightness	0,6 bar
Vacuum tightness	-0,3 bar
Jetting resistance	120 bar
Weight	0.4 kg
Material	EPDM

CE certification

gemäß / according to	EN 681-1
----------------------	----------

Resistances

Heat resistant	120 °C
Cold resistant	-40 °C
UV resistant	✓
Suitable for soil	✓
Flush-mounting suited	✓
