Product information

Product group	Flex-Tape
Item number	CRA70601
EAN / GTIN	4260391375583
Product name	Flex-Tape, 25mm x 3,5m x 0,7mm, Color: blue

Product description

Extreme multifunctional self-fusing repair tape. Repairs leakages as well as usable for various additional applications, as an example for electrical insulation. Resistant to fuels, oils, acids, solvents, salt water, road salt and UV-radiation

Technical drawing

Dimensioning

Thickness	0.7 mm
Width	25 mm
L Length	3.5 m

Specification

Pressure tightness	8 bar
Weight	0.078 kg
Material	Silicone

Resistances

Heat resistant	260 °C
Cold resistant	-65 °C
