## PRODUCT DATA SHEET

### Product view

### Product information

Product group	O-Ring
Item number	<b>CRA18261</b>
EAN / GTIN	4260182346631
Product name	O-Ring CUR 150 SML/KG

### Product description

O-Rings used to connect different pipes spigots to vitrified clay pipe- or concrete pipe-sockets without a sealing; suitable for horizontal or vertical installation; suitable for flush-mounting and soil; UV-resistant material

### Technical drawing

### Dimensioning

A   Size range	214-222 mm
B   Size range	160 mm
L   Cord thickness	38 mm

### Specification

Pressure tightness	0,5 bar
Vacuum tightness	-0,3 bar
Jetting resistance	120 bar
Weight	0.43 kg
Material	EPDM

### CE certification

gemäß / according to	EN 681-1
----------------------	----------

### Resistances

Heat resistant	120 °C
Cold resistant	-40 °C
UV resistant	✓
Suitable for soil	✓
Flush-mounting suited	✓
