Product information

Product group	Wraparound Coupling
Item number	CRA18809
EAN / GTIN	4260182342428
Product name	Wraparound Coupling CRE 3xx (custom-made)

Product description

External flexible standard coupling designed to connect two pipes with the same dimensions (DN) as well as same or different materials and surface textures; shear band ensures joint integrity and pipe alignment under load; outside diameter differences with more than 10 mm have to be compensated with Crassus Bushes; in accordance with DIN EN 295-4; with acoustic decoupling; suitable for horizontal or vertical installation; suitable for flush-mounting and soil; UV-resistant material

Technical drawing

Dimensioning

A Size range	300-399 mm
L Length	190 mm

Specification

Pressure tightness	0,6 bar
Socket wrench	SW 8 mm
Tightening torque	10,0 Nm
Weight	variable
Material	EPDM, Stainless steel (AISI 304)

CE certification

gemäß / according to	EN 681-1
----------------------	----------

Resistances

Heat resistant	120 °C
Cold resistant	-40 °C
UV resistant	✓
Suitable for soil	✓
Flush-mounting suited	✓
