### Product information

|               |                                |
|---------------|--------------------------------|
| Article group | Floor Drain Sealing Flange     |
| Item number   | <b>CRA22803</b>                |
| EAN / GTIN    | 4260431850209                  |
| Designation   | Floor Drain PVC Sealing Flange |

### Product description

For installation outdoors in areas without traffic; for the drainage of greywater; flow rate: 1.67 l/s; with pressure-waterproof, circumferential Crassus 3-ridge seal; oil- and bitumen-resistant foil flange (d = approx. 50 cm); screw-on stainless steel grate Class K3 (loadable up to max. 300 kg) 15x15 cm; frost-proof odor trap, sludge trap sieve, and construction-time protection cover; construction height: drain approximately 110 mm, mounting frame continuously adjustable and rotatable from 30-70 mm; connection: PVC pipes DN 110 vertically; according to DIN 1253; according to DIN 18533 W1-E and W2.1-E

### Technical illustration

### Dimensioning

|                                   |            |
|-----------------------------------|------------|
| A   Plastic grate                 | 150x150 mm |
| B   Connection pipe $\varnothing$ | DN 110 mm  |

### Specification

|                  |   |
|------------------|---|
| Pressure density | 2.5 bar   |
| Weight           | 1.1 kg  |
| Material         | KG pipe (PVC), Stainless steel (AISI 304), EPDM |

### Testing / Approval

MPA

### Resistances

|                       |   |
|-----------------------|---|
| UV resistant          | ✓ |
| Suitable for soil     | ✓ |
| Flush-mounting suited | ✓ |
